

FORMULARY: ALPHABETICAL LISTING*

Sharing The Care Plan

Pfizer drugs are available to patients who are 200% or below federal poverty level. Only a dispensing fee is charged. NOTE: These drugs may **only** be prescribed to sliding scale A through E patients not covered by insurance nor Private Pay. These medications are labeled as **“STC”**.

Patient Assistance Program

Patients who meet specific eligibility requirements may receive certain medications through manufacturer-sponsored patient assistance programs (PAPs). Medications labeled as **“PAP”** are available to eligible patients through manufacturer-sponsored PAPs. These medications may not be readily available and may require up to a 6-week processing period.

Lab Monitoring

Some formulary drugs require laboratory monitoring and are labeled as **“LAB”**.

*The **most current** listing of the Formulary drugs may be found on the Lincoln Community Health Center (LCHC) web site at www.lincolnchc.org under the Clinical Service tab and on the LCHC Intranet under the LCHC Pharmacy tab.
